We invite you to join the Starr Campaign for a Permanent Home & Flourishing Future

With a working goal of \$10m and through the support of its community of artists, audiences, and neighbors, the Starr will secure its future in artistic service of Bushwick, Brooklyn by:

- ★ Establishing a welcoming, accessible, flexible 5000 sq ft venue as a permanent home for our performance, rehearsal, production, event, and office spaces
- ★ Creating new jobs, workforce development programs, and direct financial support of artists' new work with strategic resource growth over 3-5 years
- ★ Building financial resilience and opportunities for impact with investments in working capital and the Artistic Opportunity Fund

With your three-year campaign commitment of \$3000 or more pledged by June 2022, you will be honored on the Starr Giving Galaxy donor wall in our new lobby, and other naming opportunities for leadership gifts are available by request
